EMERITUS

WILLIAM TAORMINA
Board Chairman Emeritus

SARAH ALEVIZON
Board Member Emeritus
Each day at the Anaheim Community Foundation, we are driven to enrich the lives of Anaheim residents. We can't do this work alone. We would like to extend our thanks to our generous donors, volunteers, collaborative partners, and board of directors.

In 2021, we also continued our pandemic relief efforts thanks to funding of $4 million from the City of Anaheim since April 2020. In all, ACF provided grants to 76 nonprofits and supported our Anaheim Emergency Operations Center.

AT ACF, OUR MISSION IS TO BUILD COMMUNITY THROUGH PEOPLE, PARTNERSHIPS, AND PRIDE.

We do this through four strategic pillars:

1. DRIVE COMMUNITY IMPACT:
   We support nonprofits and invest in community-based programs to impact our community’s youth, families, and seniors;

2. LEAD COLLABORATION:
   We serve as a lead convener to promote the power of collaboration;

3. ADVANCE PHILANTHROPY:
   We create a culture of giving back by providing opportunities to make charitable donations that directly benefit the Anaheim community;

4. SHARE INFLUENTIAL LEADERSHIP
   Through our board, policies, and practices, we demonstrate the importance of diversity, equity, and inclusion.

WHAT’S AHEAD
We believe it is important to foster continued dialogue and cross-sector collaboration throughout Anaheim. To that end, ACF has created an Action Planning Group to address issues that impact us all, such as access to childcare, mental health, and career readiness.

On behalf of everyone at ACF, thank you for helping your fellow neighbors and supporting causes important to you.
IMPACT ANAHEIM
Thanks to you, our 2021 ImpACT Anaheim Giving Day raised over $234,000 among ten nonprofit partners to help underserved Anaheim youth.

HELPING HANDS GRANTS
In 2021, ACF awarded $79,000 in Helping Hands grants to 50 community organizations that are making our community safer and stronger for residents of every age and background.

INSIGHTS & IMPACT
On September 29, ACF hosted a virtual “Insights & Impact” event to share highlights from our community assessment efforts this past year. You can read and download the full report at anaheimcf.org/acf-insights-impact

ACT ANAHEIM
ACT Anaheim is a collaboration of cross-sector partners focused on youth resiliency. Together, we are sharing expertise, resources, and referrals to provide youth with a spectrum of services, from mental health to careers and higher learning.

ANAHEIM COMMUNITY IMPACT GRANTS
This partnership with the Samueli Foundation bolsters collaboration with the City and local nonprofits. Together, ACIG has provided residents with food assistance, mental health services, arts, enrichment, and access to new Mobile Family Resource Centers.

ANAHEIM HIVE
The Hive is our shared space for nonprofit partners, in collaboration with the Samuei Foundation. During the pandemic, we revitalized the space with new furniture and technology for our re-opening in 2022.
ACF Response & Recovery

YOUTH PROGRAMS

ANAHEIM VOLUNTEEN PROGRAMS
VolunTEEN programs had 57 teens volunteering throughout the city and contributing over 1,800 hours of service. Sites included the CampVenture Downtown Summer Day Camp, the Haskett and Ponderosa Library branches, and Oak Canyon Nature Center’s Summer Day Camp and Wilderness Survival Camp.

DOWNTOWN ANAHEIM & WEST ANAHEIM YOUTH CENTERS
The Downtown and West Anaheim Youth Centers were closed due to the COVID-19 pandemic and reopened in June 2021. City and non-profit agency partners began offering limited programming and steadily increased youth access; however, field trips, excursions, and leadership conferences were all postponed due to COVID. The youth centers typically serve 1,000+ youth annually.

PROJECT S.A.Y.
Project S.A.Y. (Support Anaheim’s Youth) is the city’s Youth Development Program. With donations through ACF, the program provides outreach, recreation, sports, and academic support to help junior high and high school-age youth develop the knowledge and skills for a successful transition to adulthood. In 2021, due to the COVID-19 pandemic, Project S.A.Y. shifted to virtual meetings moderated by Project S.A.Y. Outreach Coordinators to keep youth engaged through discussion and leadership activities. In June, Project S.A.Y. resumed limited in-person programming for the youth to re-engage and participate daily; however, field trips, excursions, leadership conferences, and special events were all postponed due to COVID. Project S.A.Y. typically serves 2,500+ youth and their families annually.
TINY TOTS ACADEMY
The Tiny Tots Academy provides a nurturing educational environment to prepare children for kindergarten by assisting children in their emotional, social, and intellectual development through hands-on experiences inside and outside the classroom. ACF managed $21,461 for Tiny Tots Academy funds and received $298 in support from the Anaheim City Employee Giving Campaign. Due to the pandemic, the Tiny Tots Academy reopened its classrooms in April 2021. Tiny Tots continues to be a resource for parents who want to strengthen their child’s socialization skills and self-confidence and give them a head start on developing a passion for learning.

YOUTH PARK, PLAY, AND AFTERSCHOOL PROGRAMS
With over $83,000 of support managed through ACF, youth programs provided free after-school activities and homework help through the S.T.A.R.S. program, special events, and the “Fun on Wheels” mobile recreation programs. Due to the pandemic, traditional programming did not resume until June 2021. Since programming resumed, over 11,400 children have participated in the S.T.A.R.S. and Fun on Wheels programs. The participants are excited to return to their favorite sites, and they continue to grow in popularity within the community.

YOUTH RECREATION & ENRICHMENT SCHOLARSHIPS
There were 27 youth program scholarships awarded to low-income families, thanks to support from Geoff Black, AUHSD, the City of Anaheim Employee Giving Campaign, the City of Anaheim Public Works Employees on behalf of Edina Goode, and the California Foundation for Stronger Communities. These scholarships helped youth participate in various recreational opportunities offered through Anaheim Community Services, including art, dance, music, sports, and computer coding classes.

COMMUNITY PROGRAMS
ANAHEIM COMMUNITY SERVICES VOLUNTEER RECOGNITION EVENT
Due to the pandemic, the annual Volunteer Recognition Luncheon honoring Anaheim volunteers pivoted to a virtual “Power of Community” event in 2021. With donations through ACF, this important event celebrated volunteers from Fire & Rescue, Police, and various Community Services programs. This event also recognized contributors from local corporations and non-profits, including Anaheim Community Foundation, Anaheim Public Library Foundation, Anaheim Public Utilities, California Foundation for Stronger Communities, Employee Giving Campaign City of Anaheim, Disneyland Resort, Friends of Families, Friends of the Anaheim Public Library, Friends of the Canyon Hills Library, Samueli Foundation, and Vineyard Anaheim.
FLAG DAY CEREMONY
ACF managed $8,786.51 in support of the annual Flag Day Ceremony held on Sunday, June 13, 2021. This year, participants chose to display their patriotic spirit with a procession of festively decorated vehicles driven around local parks. The event concluded with cupcakes and live music. Contributions from both individuals and businesses totaled $5,374.71.

NUTCRACKER DOWNTOWN HOLIDAY TREE LIGHTING
On December 4, 2021, Center Street and Feldhaus Circle were transformed into a Winter Wonderland for the 27th Annual Nutcracker Christmas Tree Lighting. In coordination with the Downtown Anaheim Association, the committee provided a day of activities enjoyed by 6,000 attendees. Festivities included free holiday crafts, Candy Canine Costume Contest, train rides, pictures with Santa, strolling musicians, and entertainment on the Show Wagon by local community groups. The event featured a Tree Lighting Ceremony, a segment of the Nutcracker performed by the Anaheim Ballet, a performance from Anaheim Union High School Combined Choirs, a reading of “Twas the Night before Christmas” by Santa, and a medley of Christmas Carols presented by Anaheim resident and Mouseketeer, Sean Oliu. The event was made possible by donations from the city of Anaheim, Anaheim Public Utilities, Assemblymember Tom Daly, Cottage Pet Hospital, SA Recycling, Anaheim Firefighters Association#2899, Anaheim Police Association, Hilgenfeld Mortuary, Raising Cane’s, Paul Kott Realtors, Inc., Superior, Inc., Dalati Insurance, Wincome Hospitality, Dinwiddie Family Trust, Desert Palms Hotel & Suites, West Coast Arborists, and many others.

YOUTH TENNIS TOURNAMENT
ACF managed $84,282 for the Youth Tennis Program fund. The 58th annual “Anaheim Junior Tennis Tournament” was held November 27 – November 28, 2021, at various locations throughout the city, including the Anaheim Tennis Center. As a result of this event, $500 was deposited with the Foundation.
THERAPEUTIC RECREATION CENTER
With donations through ACF, the center collaborated with several non-profit organizations to meet the needs of families and residents with intellectual and physical disabilities with structured programming provided at the Anaheim Accessibility Center. The city partnered with Creative Identity, the Dayle McIntosh Center, and the Anaheim Family YMCA to provide daily programming to 100+ youth and adult program participants. In 2021, the Anaheim Accessibility Center was closed due to the COVID-19 pandemic and re-opened in June. Programming resumed sparingly and continues to take place virtually and with limited in-person activities hosted by our non-profit partners.

CULTURAL & PERFORMING ARTS PROGRAMS

CENTER GALLERY
ACF managed $1,069 in support of the Center Gallery, which showcases beautiful craftsman-style walls, counter, pedestal, and hallway niche display cases. In 2021, while the Center Gallery was closed due to the pandemic, exhibits shifted to virtual, and the Center Gallery hosted the “Young Artist Showcase,” which featured local student artists ages 12-17. The showcase included students from Cypress High School, Fairmont Preparatory Academy, Sycamore Junior High School, Ball Junior High School, Brookhurst Junior High School, and Anaheim High School. A series of videos comprised of the students' artwork, testimonials, and school contact information were released weekly each month from February through August; thousands viewed these videos on the city's social networks and YouTube channels. The pivot to virtual exhibits gave young artists a forum for their creativity during a time when in-person displays were impossible. The year ended with an in-person presentation and reception of talented local artist Vickie Green.

CONCERTS IN THE PARK
The free summer concert series held at Ronald Reagan Park provides four concerts for neighbors and families to enjoy great music and fun family activities. Attendance averages 1,500 people per concert. Residents enjoyed music from some of the best cover bands in Orange County, such as the '80s All Starz (80's hits), The Trip (classic rock), The Smith Band (country hits), and Trinity (hits of Styx, Foreigner & Journey). Donations through ACF were received from local organizations and individuals, Karyn Schonherz of Berkshire Hathaway Home Services, Ron Siegel Radio, Raising Canes of Anaheim Hills, and Orange County District Attorney Todd Spitzer.
PEARSON PARK AMPHITHEATRE

After being closed for the 2020 season, the community was excited to be back out at the Pearson Park Amphitheatre for fun live entertainment for the whole family. The 2021 “Summer Nights Under the Stars” season included Le Polynesia Cultural Show, the Anaheim Ballet, Buster Balloon Artist and entertainer, SantanaWays, DSB, and two concerts by the Southern California Philharmonic. Donations totaling $23,850 were made through the ACF to support this series, bringing art and culture to the community. Community partners included: Disneyland Resort, D.E.V.O.T.E., Republic Services, California Foundation for Stronger Families, SA Recycling, ACF, Kiwanis Club of Greater Anaheim, Meghan Shigo/Century 21 Award, Worker’s United Local 50, Aldi, AY Nursery, Anaheim Police Association, City of Anaheim Employee Giving Campaign, Ganahl Lumber, Co., LKQ Pick Your Part, Stephen and Susan Faessel, and Orange County Supervisor Doug Chaffee. In addition to the business and individual sponsors, the patrons attending the 2021 “Summer Nights Under the Stars” series donated $8051.59 through onsite individual donations.

SOCIAL SERVICES PROGRAMS

ANAHEIM MOTEL FAMILIES PROJECT

Financial support of this program is made possible by donations to the ACF. In 2021, $2,476 supported initiatives under the Collaboration to Assist Motel Families, including maintenance and website development.

COMMUNITY EMERGENCY ASSISTANCE

The Community Emergency Fund helps local residents in need through our network of Family Resource Centers (FRC) and Case Managers. Since COVID-19, we have seen requests from residents close to triple, primarily for rental assistance and food insecurity. This fund assists families with emergency situations by helping them with rent, utility, gas, funeral, moving, and medical expenses among others. In 2021, a total of 41 households were assisted through the fund. Of these, 15 households received one-time rental assistance to help families avoid becoming homeless; and 26 households received utility bill assistance to ensure that power and water were kept on during challenging times. There is currently $3,010 in the fund.
The Oak Canyon Nature Center is a natural park nestled in the heart of Anaheim Hills. The John J. Collier Interpretive Center is located on-site and has live animal and regional natural history exhibits. During this past year, the Nature Center served over 104,000 visitors, and the ACF managed over $185,000 worth of funding for the center overall. Donations came from partnerships with local community organizations, the Disneyland Resort, Raising Cane’s Anaheim Hills, and individuals. Funds will be directed toward enhancing the Interpretive Center’s educational interactive exhibits and trail signage and providing activities that encourage children to learn about the environment and the natural world.

In 2021, ACF managed $12,296 in emergency assistance funding. Assistance provided to seniors was based on the needs of each client, such as help with utility bills and medical-related costs.

ACF managed $14,463 in donations to help offset costs for Anaheim Active Older Adult Program events at three Anaheim community centers. Since July 2021, seniors have participated in holiday celebrations, luncheons, table tennis tournaments, Academy Awards, Mardi Gras, fitness classes, and health and resource fairs. The programs and services provided a support system that allowed older adults to participate in multiple activities that helped to prevent social isolation. 1,965 older adults participated.
OTHER FUNDED PROGRAMS

ANAHEIM EMPLOYEE GIVING
ACF manages donations designated through Anaheim City Employee Giving Campaigns to several community organizations, including Orange County Family Justice Center, Muzeo, and Anaheim Public Library Foundation.

ANAHEIM HEALTH FAIR
For the past 15 years, the Anaheim Health Fair has provided much-needed free access to health care services. After being on hiatus in 2020 due to the COVID-19 pandemic, the Anaheim Health Fair held a two-day event providing free health care services on November 6-7, 2021. This event would not be possible without the dedication of volunteers, as well as event sponsorships made through Anaheim Community Foundation, including The William, Jeff and Jennifer Gross Family Foundation, Masimo Foundation, Sarva Mangal Family Trust, Best Western Plus, SA Recycling, CalOptima, and OC Water District. Partners include: Anekant Community Center, City of Anaheim, GBS Linens, Lestonnac Free Clinic, Walmart, Sam's Club, Alinea Medical Imaging, Pico Care Pharmacy, and U-Turn Lives.

ANAHEIM POLICE PROGRAMS
The Anaheim PD Mounted Enforcement Unit celebrated 26 years in 2021. The unit – consisting of nine officers, a sergeant, a lieutenant, and their horses – is part of the Orange County Regional Mounted Unit, which consists of the eight police agencies in O.C. with mounted units (Anaheim, Santa Ana, Orange, Newport Beach, Buena Park, Irvine, Huntington Beach, and OC Sheriff’s Department). This fund supports expenses for the horses and charitable activities like visiting CHOC Children’s Hospital to deliver toys to children. The fund balance is $3,008.

This fund was established to support the annual Anaheim Police Department’s Awards and Retirement Ceremony. The ceremony includes awarding the Medal of Valor, Distinguished Service, Life-Saving, Joseph T. Malloy Career Achievement, Special Recognition, Special Unit of the Year, Division Employee of the Year (both Sworn and Civilian), and Randall W. Gaston Community Service Award. The ceremony also honors current retirees. Due to the impacts of COVID, the Department was unable to hold the annual awards ceremony in May 2021. As a result, all donations received in 2021 were returned to the donors.
ANAHEIM FIRE SAFETY AND EDUCATION

Anaheim CERT (Community Emergency Response Team) promotes the training and participation of our volunteer force to better prepare for and respond to disasters. Donations to this fund through ACF help provide training in a variety of operations, including Stop the Bleed, traffic control, animal rescue, and shelter operations.

Anaheim Fire Department’s Education/Community Relations program provides resources, fire safety education, and information to local residents and businesses. In addition, the annual Spark of Love campaign helps Anaheim families in need during the holiday season.

Anaheim Fire & Rescue’s Fire Explorers program helps aspiring firefighters ages 14 to 20 to learn various firefighting skills, such as ladder techniques, wildland firefighting, forcible entry, and first aid skills. Donations through ACF help to purchase fire safety equipment and/or to send participants to the fire academy held by the county.

Wear Your Helmet like a Pro program focuses on helmet safety for children ages 5 to 14. The goal is to provide a helmet for every child that needs one. Donations made through ACF have helped provide 9,000 safety helmets to Anaheim youth.

The Anaheim RACES (Radio Amateur Civil Emergency Services) group provides communications support in non-disaster situations such as parades (Fourth of July and Halloween), marathons (Semper 5k/10k), and other smaller-scale events such as Concerts in the Park. They are assets to the community in disaster situations with the ability to communicate independent of primary forms of communication and provide intelligence from the field back to the City’s Emergency Operations Center (EOC).

DEVOTE

DEVOTE (Dedicated Employees Volunteers Offering Time and Energy) has provided opportunities for employees to support the community for over 25 years. In 2021, employees contributed almost $10,000 through the Anaheim City Employee Giving Campaign. ACF manages DEVOTE’s funds, while a volunteer board of city employees operates its programs. DEVOTE partners with management for the city’s annual employee volunteer day (The Big Give), and quarterly opportunities to fund volunteering and giving back (Little Gives). DEVOTE’s funds are also invested back into the community through grants to small organizations serving the neediest in Anaheim.

SISTER CITY

The Anaheim Sister City Commission is responsible for the growth and development of its sister cities: Mito, Japan, Vitoria-Gasteiz, Spain, and Pudong, China. The commission works year-round to develop Anaheim’s cultural exchange opportunities, economic development, and student exchange programs. Donations through ACF help to advance these efforts.
