Dear Friends,

This last year, the Anaheim Community Foundation (ACF) made it a priority to advance our goal of building community by fostering collaboration, championing philanthropy, and driving community impact. As we continued to navigate the “new normal” coming out of the COVID-19 pandemic, ACF explored the emerging needs and challenges of our community while continuing our commitment to those already being served by the organization.

Some highlights of 2022 included:

- **ImpACT Anaheim Giving Day**: In collaboration with nine other local nonprofits, ACF successfully raised thousands of dollars for underserved youth in Anaheim.
- **Helping Hands Grant Program**: ACF awarded more than $50,000 in Helping Hand grants to local nonprofits.
- **Action Planning Groups**: ACF convened community leaders from different sectors to collaboratively lead efforts to advance the conversation on mental health and child care services in Anaheim.

We are proud of our community impact during 2022 and are excited to share more detailed information on these and other efforts in this report. Our successes are only possible with the continued support of our partners in the community and our generous donors. As we look ahead to the coming year, we are optimistic that we will continue to increase our reach and impact within the Anaheim community.

With gratitude,

**Kimberly Chips**

2022 HIGHLIGHTS

IMPACT ANAHEIM
Thank you to the 467 generous donors for their contributions to our 2022 ImpACT Anaheim Giving Day. An impressive $232,199 was raised among ten nonprofit partners to help underserved Anaheim youth and teens. ACF raised $34,225 with the support of 46 donors.

HELPING HANDS GRANTS
In 2022, ACF awarded over $50,000 in Helping Hands grants to 39 community nonprofit organizations that are providing vital services in mental health, food insecurity, water-safety, literacy, emergency shelter, art therapy, college readiness and more.

ACT ANAHEIM
Accelerate Change Together Anaheim is a collaboration of cross-sector partners focused on youth resiliency. This collaborative has been highly effective and is currently working on addressing the impact of COVID-19 on our young people. Utilizing a $1M Federal Grant, our ACT partners will bring preventative mental health programming to Anaheim schools.

ANAHEIM COMMUNITY IMPACT GRANTS
This place-based grantmaking approach, seed funded by the Samueli Foundation bolsters collaboration with the City and local nonprofits. Together, ACIG has provided residents with food assistance, a Youth in Nature Program, Senior Citizen Art Kit program throughout the Anaheim Library system, Maker Space and Media Lab at the Haskett Library and access to new Mobile Family Resource Centers.

ANAHEIM HIVE
The Hive was our shared space for nonprofit partners, in collaboration with the Samueli Foundation. As a hub for nonprofits, the Anaheim Hive featured open workspace, small and large conference rooms, and audio/visual capabilities. In 2022, the space was utilized by 15 nonprofits organizations. Unfortunately, the facilities have temporarily closed with a goal of re-opening at a new location in 2024.

Store One

Store One is a new transformative public private partnership with the City of Anaheim and the Anaheim Community Foundation to renovate the original Northgate Market into a vibrant multi-use community development resource rooted in the rich culinary and cultural heritage of the neighborhood. The culinary and hospitality programs offered at Store One will develop the local food services workforce, expand opportunities for youth, inspire entrepreneurship, support micro business creation, and provide an exciting gathering spot that will promote community health and wellness. By offering this programming through and alongside community partners, Store One will amplify the incredible work that so many nonprofit organizations in Anaheim are already doing by centralizing and leveraging funding, space, and equipment to further their individual missions as part of a collective. The Anaheim Community Foundation is proud to be the fiscal sponsor of this amazing project.

RevHubOC

In early 2022, the Anaheim Community Foundation began to explore new and innovative ways to address pressing societal changes and to create more livable communities for Anaheim residents. To accomplish this, the Foundation partnered with RevHubOC – an organization dedicated to developing and sustaining a robust social enterprise ecosystem in Orange County.

With support from the Foundation, RevHubOC began to build an ecosystem that will educate, support, and invest in talent and ventures originating in the community typically left out of the entrepreneurial ecosystem. This work led to an $8.5 million state budget allocation through Senator Josh Newman’s office to support illuminated pathways for entrepreneurship through the NorthSTAR OC Collaborative, partnerships with the University of California Irvine, and the creation of programs and services designed to identify, support, and grow social enterprises.

“Support from the Anaheim Community Foundation was critical to the success of our mission. Their partnership led to additional funding, new programs, and more opportunities to grow the impact of social enterprises in Anaheim and across Orange County.”

Stephan Erkelens, President & CEO, RevHubOC
The Anaheim Community Foundation establishes funds to serve as the fiscal agent for numerous City of Anaheim programs and other community-based events and programs that benefit Anaheim residents. The following pages describe the impact this support has made possible.

If you would like to contribute to ACF to support any of these funds, please visit AnaheimCF.org/donate
YOUTH PROGRAMS

ANAHEIM VOLUNTEEN PROGRAM
The 2022 Summer VolunTEEN program had 105 teens volunteering throughout the city and contributing over 5,000 hours of community service. Some sites included the CampVenture Downtown Camp, Haskett Library, and Oak Canyon Nature Center’s Summer Day Camp and Wilderness Survival Camp.

DOWNTOWN ANAHEIM & WEST ANAHEIM YOUTH CENTERS
The Downtown Anaheim Youth Center and the West Anaheim Youth Center are the city’s two youth centers that provide opportunities for youth ages 5-17 to participate in recreation activities, educational programs, sports, and after-school activities in a safe and supervised environment. Through the support of the ACF, the city, and local non-profit organizations, the centers offer youth development programs focused on trustworthiness, respect, responsibility, fairness, caring, and citizenship. The youth centers typically serve 2,000+ youth annually.

PROJECT S.A.Y.
Project S.A.Y. (Support Anaheim’s Youth) is the city’s Youth Development Program. With donations through the ACF, the program provides outreach, recreation, sports, and academic support to help junior high and high school-age youth develop the knowledge and skills for a successful transition to adulthood. This program allows students to attend Teen Centers, field trips, excursions, leadership conferences, and special events. Project S.A.Y. typically serves 2,500+ youth and their families annually.

TINY TOTS ACADEMY
The Tiny Tots Academy helps our kids get F.I.I.T. for kindergarten by building their Foundational skills, encouraging them to interact with kids their age, and providing a safe space where they can use their imagination, all while implementing classroom Traditions. ACF managed $21,826 for Tiny Tots Academy funds and received $500 in support from the Anaheim City Employee Giving Campaign. The Tiny Tots Academy acknowledges the importance of strengthening socialization skills, building self-confidence, and kick-starting their participants’ passion to learn and will continue to be a resource for all families within the community.
YOUTH PARK PLAYGROUND PROGRAMS

With over $84,288 of support managed through ACF, youth programs provided free afterschool activities and homework help through the S.T.A.R.S. program, “Fun on Wheels” mobile recreation programs, and special events. This year, some of the funds were used to buy craft supplies and take the participants on movie excursions. Due to the effects of the pandemic and staffing levels, not all programming sites are currently operating, however all locations are expected to open in 2023. The participants have been excited to return to their favorite sites, which continue to grow in popularity within the community. This year, over 24,200 children participated in the S.T.A.R.S. and Fun On Wheels programs.

YOUTH RECREATION AND ENRICHMENT SCHOLARSHIPS

The Foundation provides youth scholarships to low-income Anaheim families thanks to the generous support of our donors. In 2022, 118 youth were awarded scholarships to participate in a variety of recreational opportunities offered through the Community Services Department including gymnastics, sports, art, music, and computer coding classes.

NATURE PROGRAM

OAK CANYON NATURE CENTER

The Oak Canyon Nature Center is a natural park in the heart of Anaheim Hills. The John J. Collier Interpretive Center is located on-site and has live animal and regional natural history exhibits. During this past year, the Nature Center served over 136,000 visitors, and the ACF managed over $199,000 worth of funding for the center overall. Donations came from partnerships with local community organizations, the Disneyland Resort, Raising Cane’s Anaheim Hills, Mother’s Market Anaheim Hills, and individuals. Funds will be directed toward enhancing the Interpretive Center’s educational interactive exhibits and trail signage and providing activities that encourage children to learn about the environment and the natural world.
COMMUNITY PROGRAMS

ANAHEIM COMMUNITY SERVICES VOLUNTEER RECOGNITION EVENT

For the first time since the pandemic, the annual Volunteer Recognition Luncheon was held in person at the City National Grove of Anaheim on Tuesday, March 29, 2022. With the theme of “Honoring Anaheim Volunteers” and donations through ACF, this important event hosted volunteers from Anaheim Fire & Rescue, Anaheim Police Department, and Community Services. Also recognized were Anaheim’s Boards and Commissions members, along with individuals, businesses, and organizations who contributed to Community Services programs in 2021.

FLAG DAY CEREMONY

The annual Flag Day Ceremony was held on Sunday, June 12, 2022, and celebrates patriotism. The festivities include a Patriotic vehicle parade that traveled along Anaheim residential streets and a walking parade around Pearson Park. Entertainment was provided by local talent and the Southwest Young Marines performed a traditional flag-folding ceremony. The day concluded with free ice cream and cake. ACF managed $9,510 to support this event.

YOUTH TENNIS TOURNAMENT

ACF managed $84,690 for the Youth Tennis Program fund. The 59th annual “Anaheim Junior Tennis Tournament” was held November 26 – November 27, 2022, at various locations throughout the city, including the Anaheim Tennis Center. As a result of this event, $750 was deposited with the Foundation.

THERAPEUTIC RECREATION PROGRAM

With donations received from the ACF, the Anaheim Accessibility Center (AAC) hosted programming offered by three non-profit organizations to meet the needs of youth and adults with intellectual and physical disabilities. The City of Anaheim leveraged partnerships with Creative Identity, the Dayle McIntosh Center (DMI), and the Anaheim Family YMCA and served a total of 72 youth and adult program participants in 2022. The AAC was fully operational, and Creative Identity provided its full programming daily at the facility but saw a slight drop in participation due to COVID.
NUTCRACKER DOWNTOWN
HOLIDAY TREE LIGHTING

On Saturday, December 3, 2022, Center Street Promenade and Feldhaus Circle were transformed into a Winter Wonderland for the 28th Annual Nutcracker Christmas Tree Lighting and Holiday Village. In coordination with the Downtown Anaheim Association, a day full of free activities was enjoyed by over 6,000 attendees, including Holiday crafts, Candy Canine Costume Contest, train rides, pictures with Santa, and holiday entertainment.

The Tree Lighting Ceremony featured a segment of the Nutcracker, performed by the Anaheim Ballet, soloists, the 250 talented voices of the Anaheim Union High School Combined Choirs, a reading of “The Night Before Christmas” by Santa, and Christmas Carols.

COMMUNITY EMERGENCY ASSISTANCE

The Community Emergency Assistance Fund helps residents in need through our network of Family Resource Centers (FRC) and Case Managers. In 2022, we assisted residents with utility payment assistance and emergency rental assistance due to the financial hardships that families continued experiencing from the COVID-19 pandemic. In addition to utility and emergency rental assistance, this fund assists with funeral costs, moving expenses, gas, and medical expenses, among other emergency situations.
SENIOR PROGRAMS

SENIOR CITIZENS EMERGENCY ASSISTANCE
In 2022, ACF managed $10,870 in emergency assistance funding. Emergency assistance provided is based on the varying needs of each client but may include financial support towards utility bills and medical-related costs.

SENIOR CITIZENS PROGRAMS
ACF managed $12,937 in donations to help offset costs for Anaheim Active Older Adult Program events at three Anaheim community centers. In 2022, seniors participated in luncheons, fitness classes, health and resource fairs, table tennis tournaments, Mardi Gras, and holiday celebrations. The programs and services provided a support system that allowed 2,558 older adults to participate in multiple activities that helped to prevent social isolation.

CULTURAL AND PERFORMING ARTS PROGRAMS

CENTER GALLERY
ACF managed $1,069 in support of the Center Gallery which hosted a variety of artists, presenting artwork across multiple mediums. The 2022 season featured exhibits by the Searchers Gem and Mineral Society, Fine Artist Martin Ross’s “Falling Confetti”, Anaheim Art Associations Collaborative Show, Phuong Lieu’s “Phuong Lieu” collection, and Graphic Designer Kathy Kim’s “Infinite Flow”.

CONCERTS IN THE PARK
Concerts in the Canyon, held at Ronald Reagan Park, provided four free summer concerts for neighbors and families to enjoy great music and fun family activities. Attendance averaged 1,500 people per concert and the bands featured a variety of music genres.

Concerts to the Max, at Maxwell Park, is a new addition to the Anaheim summer concert schedule. First year attendance was excellent with 300-450 patrons enjoying the musical evenings. Youth Programs provided a free craft and the Anaheim Library provided free books to attendees.
PEARSON PARK AMPHITHEATRE
The 2022 “Summer Nights Under the Stars” season, presented by the Disneyland Resort, included a variety of performances to entertain and enrich Anaheim residents of all ages. Donations totaling $22,305 were made through the ACF to support this series, bringing art and culture to the community. The popular Friday Night Family series featured dance, balloon artistry, and instrumental music. In addition, a variety of live bands took to the stage to entertain residents under the stars.

OTHER SUPPORTED FUNDS

ANAHEIM EMPLOYEE GIVING CAMPAIGN
ACF manages donations designated through the Anaheim City Employee Giving Campaigns to several community organizations, including Orange County Family Justice Center, Muzeo, and Anaheim Public Library Foundation.

ANAHEIM HEALTH FAIR
For the past 16 years, the Anaheim Health Fair has provided much-needed free access to health care services. The Anaheim Health Fair held a two-day event providing free healthcare services on November 12-13, 2022. This event would not be possible without the dedication of volunteers and event sponsorships made through the Anaheim Community Foundation, including The William, Jeff, and Jennifer Gross Family Foundation, Masimo Foundation, Best Western Plus, SA Recycling, CalOptima, and OC Water District. Partners include Anekant Community Center, City of Anaheim, GBS Linens, Inc., Lestonnac Free Clinic, Walmart, and Sam’s Club.

DEVOTE
DEVOTE (Dedicated Employees Volunteers Offering Time and Energy) has provided opportunities for employees to support the community for more than 25 years. In 2022, DEVOTE raised over $8000 through the city’s Employee Giving Campaign and other fundraising efforts conducted by city departments. The ACF manages DEVOTE’s funds, while a volunteer board of city employees operates its programs. DEVOTE partners with City departments to identify opportunities to give back and/or provide financial support. In 2022, DEVOTE provided donations totaling over $2,000 in support of the City’s annual Adopt-a-Family program and the CASA OC Foster Youth Holiday Gift Drive.
ANAHEIM FIRE AND SAFETY

Anaheim CERT (Community Emergency Response Team) promotes the training and participation of our volunteer force to better prepare for and respond to disasters. Donations to this fund through ACF help provide training in a variety of operations, including emergency preparedness community workshops, Stop the Bleed training, and first aid medical supplies.

Anaheim Fire Department’s Education/Community Relations program provides resources, fire safety education, and information to local residents and businesses. In addition, the annual Spark of Love campaign, with donations from Anaheim residents and the Orange County Fire Chief’s Association, helps provide new unwrapped gifts or sports equipment to Anaheim families in need during the holiday season.

Anaheim Fire & Rescue’s Fire Explorers program helps aspiring firefighters ages 15 to 21 learn various firefighting skills, such as ladder techniques, wildland firefighting, forcible entry, and first aid skills. Donations through ACF help to purchase fire safety equipment and send participants to the fire academy held by the county.

The Wear Your Helmet Like a Pro program focuses on helmet safety education and equipment for children ages 5 to 14. The goal is to provide a free helmet for every child that needs one and to teach children and parents how to put on a helmet correctly to help reduce brain injuries. Donations made through ACF have assisted in providing safety helmets to Anaheim youth.

The Anaheim RACES (Radio Amateur Civil Emergency Services) group provides communications support in nondisaster situations such as parades (Fourth of July and Halloween), marathons (Semper 5k/10k), and other smaller scale events such as Concerts in the Park. They are assets to the community in disaster situations, with the ability to communicate independently of primary forms of communication and provide intelligence from the field back to the City’s Emergency Operations Center (EOC).
ANAHEIM POLICE PROGRAMS

The Anaheim Police Department Mounted Enforcement Unit has worked the streets of Orange County since 1995. The unit consists of nine officers, a sergeant, a lieutenant, and their horses. The team works throughout the year patrolling parks, local neighborhoods, and the Anaheim Resort area. Mounted officers are frequently seen at the Honda Center, Angel’s stadium, and Convention Center during large events. Whether working on Beach Blvd or patrolling the hills in east Anaheim, the mounted unit continues to show its value as it proudly serves the community. As members of the Orange County Regional Mounted Unit, Anaheim officers demonstrate leadership in the areas of training, unit development, and deployment standards. ACF funds help maintain the unit’s equipment and horses so that they may better serve the community. The current fund balance is $1,343.

The Anaheim Police Department’s Awards and Retirement Ceremony fund provides an annual event to honor our law enforcement officers. The ceremony includes awarding the Medal of Valor, Distinguished Service, Life-Saving, Joseph T. Malloy Career Achievement, Special Recognition, Special Unit of the Year, Division Employee of the Year (both Sworn and Civilian), and Randall W. Gaston Community Service Award. The ceremony also honors current retirees. The ceremony was held on April 14, 2022.

SISTER CITY

The Anaheim Sister City Commission is responsible for the growth and development of its sister cities: Mito, Japan, Vitoria-Gasteiz, Spain, and Pudong, China. The commission works year-round to develop Anaheim’s cultural exchange opportunities, economic development, and student exchange programs. Donations through ACF help to advance these efforts.
